The Private-Money World Opens Up

Whether Your Financial Advisor Happens To Be One Of 2018's Top Financial Advisors; your high school buddy of 25 years; or in these days of Hi-tech: a robot that has entered the fray... ***They All Make Their Money The Same Way: From The Commissions They Charge You... On Your Money!***

There is Another Way: Cartel Equity Fund, LLC, a venture capital *partnership!*

Cartel Equity has **NO** Commissioned Brokers; **NO** Financial Advisors, and unlike other Partnerships, charges you **NO FEES** that would otherwise Shrink your Total Investment \$\$\$!

As an LLC Partnership, we invest your money along-side ours. We're The Fund's Principals and we're also the initial investors in every equity we acquire.

You don't need to be a million-dollar investor to achieve your retirement goals. With Cartel Equity, The Fund, you're made privy to a "host of equities" where an investment from as low as \$75,000 has the potential to make you a millionaire.... You don't need to start as one!

*If you have an IRA; market positions that aren't doing as well as they could be; annuities; and yes, cash... It's time you put your money to work for you the same way Institutional Investors, Pension Fund Investors, Multi-Million Dollar Family Fund Investors Do... and have been doing for years, and Cartel Equity -established in 2003 to acquire stock in qualifying private companies preparing for an IPO- **Can Show You The Way!***
